**THE UNBEATABLE
Chieftain.**

YOU CAN'T BEAT

Chieftain® has everything you'd want. And more.

It's the Number One motor home from America's Number One motor home company.

It delivers the kind of performance that brings you pride and pleasure.

It's handsome and impressive inside and out. With a full complement of quality standard features and distinctive extras.

Clearly, the more thought you put into buying a motor home, the more unbeatable the Chieftain becomes.

Think about it. A fully equipped galley complete even with a large oven. Bucket seats on 3-way pedestals for you and your co-pilot. Plush, color-coordinated interior decors. And an inviting amount of spaciousness that stretches from front to back.

Chieftain is yours in two magnificent models. Our 26-footer lets you get away from it all, without leaving behind the comforts of home.

OWNING THE BEST.

Our 29-foot Chieftain gives you the extra space you need to seat 6 adults in the living area with room to spare.

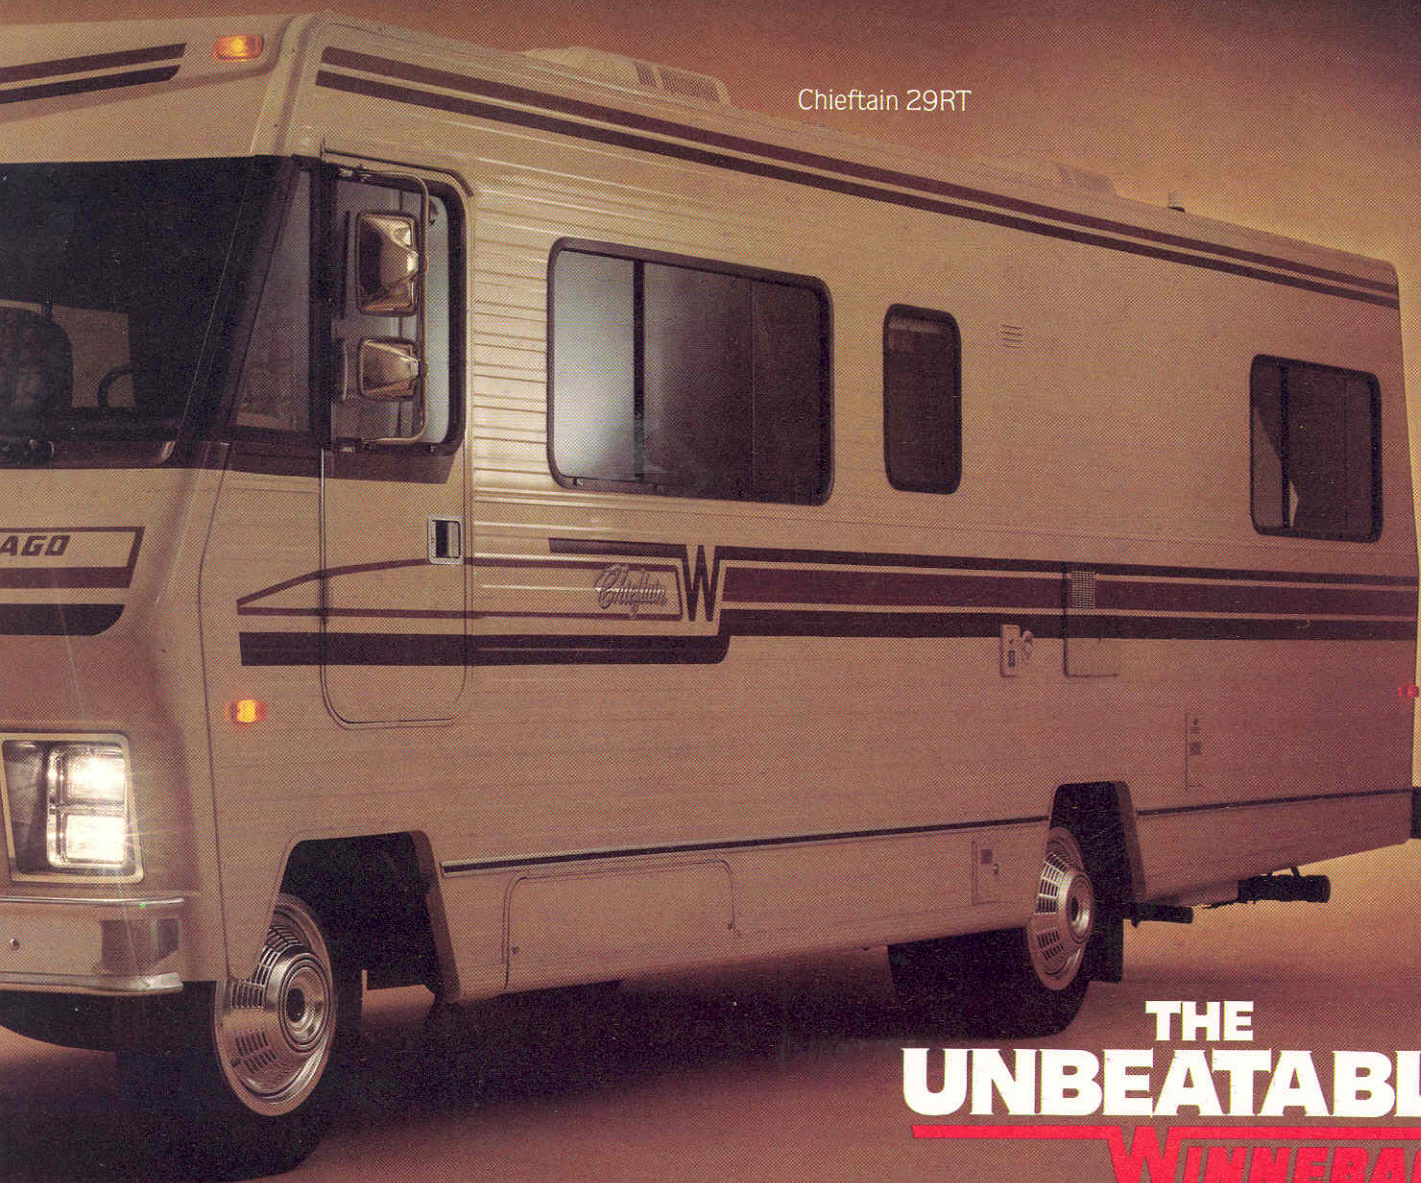

For extra freedom and economy on the road, Chieftain offers an optional Dual/Fuel system. With it, you can travel on gasoline or safe, readily available liquid propane.

Another important option is Winnebago's 5 year/50,000 mile Traveler's Protection Plan.

Size up the Chieftain. You'll never be sorry you bought the best.
