

WINNEBAGO MINNIE WINNIE

MINNIE WINNIE. STEP UP TO MORE LUXURY AND COMFORT.

Why have more Winnebago Minnie Winnies® been chosen by more people than any other motor home in their class? Because they give you more Class A features than any other Class C motor home you can buy.

Like more space. With all the room and convenience you'd expect from a larger motor home. In a size that's easier to afford.

More luxury. With fully padded carpeting, Stitchcraft furniture, brass-tone fixtures and oak-door cabinetry.

More comfort. With Sealy® innerspring mattresses, plush seating, abundant storage, and smartly designed galley and bath.

More quality. With welded-steel frame construction, and the assurance that they've met the most exhaustive product testing in the industry. And every Minnie Winnie is supported by the outstanding nationwide Winnebago Industries' dealer network.

More value. With the top resale record in their class, Minnie Winnies guarantee you long-term satisfaction.

And more immediate enjoyment. Test drive a 1990 Minnie Winnie and see just how much more you'll get.

Minnie Winnie's interior is elegantly designed to combine beauty with convenience. It gives you the same upholstery, cabinetry, space and headroom as our best-selling Class A Chieftain.

The open galley offers unrestricted movement and plenty of storage. And the 4-burner range, refrigerator/ freezer, systems monitor panel and optional microwave offer unmatched convenience. For easy maintenance, vinyl galley flooring is optional.

The bath is upgraded to give you the fine appointments you'd expect in a quality Class C. Like brass-tone fixtures, spacious glass-doored shower, large rectangular sink and abundant storage.

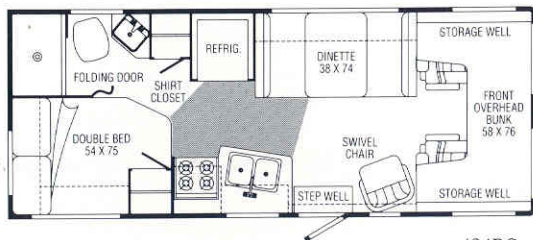

The single-piece fiberglass rear cap covers an insulated inner wall and includes a locking spare tire compartment with extra storage space.

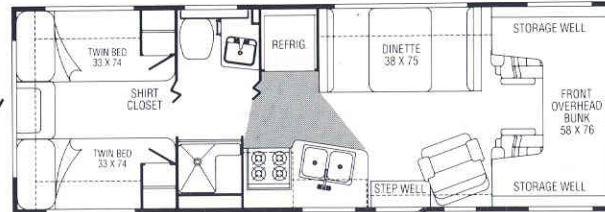

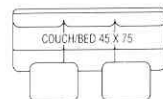

The large foldaway cabover bunk is perfectly incorporated into the open-space design. Below you'll find easy access to a fully equipped cockpit. With cruise control, a tilt wheel and dash air standard. There's even a deluxe cab trim package included.

Sealy® innerspring comfort, fitted bedspreads, pillow shams and large windows give you luxury in the bedroom. You'll also find ample overhead storage in the oak doored cabinets.

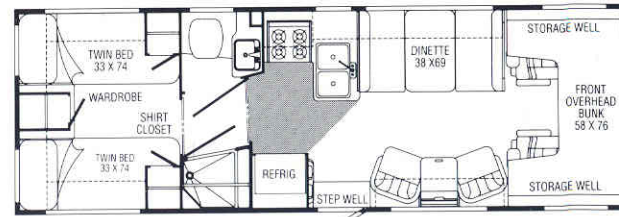

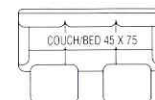

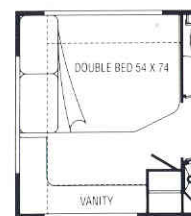

Note: Dimensions shown are for sleeping space only and dashed lines denote overhead storage area. Shaded areas indicate location of optional vinyl galley flooring.
